THE LIGHTHOUSE CLUB

celebrating 25 Years in Asia, presents

International Construction Conference and Construction Services Exhibition

Caring Construction, Collaborative Contracting

Hong Kong Convention and Exhibition Centre
2nd and 3rd June 2011

This International Construction Conference and Construction Services Exhibition will provide:

- unique networking and marketing opportunities for developers, contractors, subcontractors, suppliers, consultants, lawyers, trade associations, professional institutions and individuals within and associated with the construction industry; and
- continuing professional development opportunities for individuals who need to further develop their capabilities in order to be better prepared to deal with the global economic challenges faced by the construction industry, through increased efficiency, innovation and motivation.

Exhibition and Networking

Delegates and other participants will have opportunities of personal and professional networking at the various receptions and at the Construction Services Exhibition where contractors, suppliers, specialists, consultants, law firms and other construction service suppliers, who are sponsoring the conference, and professional institutions and trade associations, who are supporting the conference, will display details of their services and be available to discuss their capabilities, potential future business opportunities and employment prospects and their plans for continuing professional development.

Supporting organizations include:

- Academy of Experts
- Association for Project Management
- Chartered Institute of Arbitrators (East Asia Branch)
- Chartered Institute of Building
- Chartered Institution of Civil Engineering Surveyors
- Construction Industry Council
- Hong Kong Housing Authority - Housing Department
- Hong Kong Institute of Architects
- Hong Kong Institute of Surveyors
- Hong Kong Institution of Engineers
- Hong Kong International Arbitration Centre
- Institution of Civil Engineers, Hong Kong Association
- Master Builders Association Malaysia

The Lighthouse Club Charities:

The proceeds from this conference will directly benefit the following:

The Lighthouse Club Asia Pacific Region Benevolent Trust is devoted to:

- relieving poverty and financial need suffered by persons employed or formerly employed within the construction industry in the Asia Pacific region and the dependants of such persons, where such persons, widows, widowers, children and dependants are suffering hardship as a result of accident, disability or ill-health;
- providing or assisting with the provision and advancement of education for persons employed or formerly employed within the construction industry in the Asia Pacific region, and the dependants of such persons, where poverty is preventing such persons and dependants from fulfilling their education; and
- providing or assisting with the provision and advancement of education, being education and training in the construction industry, for persons who are resident in the Asia Pacific region and who desire to obtain such education and training, but where poverty is preventing such persons from fulfilling such education and training.

The Lighthouse Club James Battersby Educational Trust is devoted to helping young people connected with the construction industry. The Trust's objectives are to assist in the training in the industry of disadvantaged young people, or to assist with the education of children who are suffering hardship as a result of the death, injury or illness of a parent or guardian employed in the construction industry.
